WOMEN KILLED BY A MALE INTIMATE PARTNER OVER TEN YEARS

Annually, the Texas Council on Family Violence identifies men and women killed by their intimate partners to both honor their memories and raise awareness. We hope this review elevates community conversations, collaborations, and commitment to domestic violence prevention and intervention strategies.

**185 Texans killed by intimate partners in 2019**

In Texas, in 2019, 150 women were killed by their male intimate partners, 31 men were killed by their female intimate partners, and one woman and three men were killed by same-sex intimate partners. Twenty related victims were killed, and six related victims were injured in the commission of these intimate partner homicides.
